See Red?

It's against the law to sell tobacco products to anyone under the age of 18. Ask for ID.* If you see red, carefully check the date of birth.

Check the birthdate. If today's date is before the 18th birthdate on the ID, the customer is NOT 18. Don't sell.

*FDA requires retailers to ask for photo ID of anyone under the age of 27 for tobacco purchases.
