

The Affidavit of Disaster Loss form is to be completed by households that were already receiving SNAP benefits during the disaster event. This form is required in four of the affected counties to replace lost or destroyed food. If you live in Fayette, Jackson, Lincoln or Summers Counties, the form must be completed in order for you to receive supplemental SNAP benefits due to loss during the June 23 flooding and power outages.

**This form may NOT be mailed to your local office for processing. If you live in a county in which it is required, you (or your representative) must visit a D-SNAP application site to present the form.**

If you have questions, please contact the D-SNAP application site in your area or call the Customer Service Center at 1-877-716-1212.
