

B. DEEMED PARENTS/CARETAKER RELATIVES MEDICAID**1. Extended Medicaid (ME S)****Income: N/A****Assets: N/A**

An AG is eligible for Extended Medicaid for 4 months when both of the following conditions are met:

The AG lost eligibility for **Parents/Caretaker Relatives** Medicaid due to the onset of new spousal support, an increase of spousal support; **increased earnings, or a parent's increased working hours; and**

- The AG received **Parents/Caretaker Relatives** Medicaid in any 3 or more months during the 6-month period that immediately precedes the 1st month of ineligibility for PCR Medicaid.

NOTE: This category becomes effective ONLY when Transitional Medicaid is no longer a utilized category of coverage.

There are no application procedures for Extended Medicaid. Instead, when the Medicaid AG becomes ineligible, the Worker must automatically determine eligibility for Extended Medicaid. If the Medicaid AG is closed in error instead of being converted to an Extended Medicaid AG, the AG must be reopened without reapplication by the client. MAGI Adult benefits should be considered first if the AG is income eligible for this group. If the AG is over income for MAGI Adult then Extended Medicaid should be approved for 4 months following the Parent Caretaker benefit ending.
