Chapter 27	Archived				

This change was made to clarify which additional Medicaid categories are served in the Aged and Disabled, Intellectual/Developmental Disability, and Traumatic Brain Injury Waiver Programs and the appropriate application procedure for each.

This change was also made to archive the Income Maintenance Manual Chapter 27 in its entirety. Non-Emergency Medical Transportation policy is being administered by the Bureau for Medical Services and processed by a contract agency. Chapter 27 is present strictly for historical record. The new location for current NEMT policy can be referenced at the following link: <http://www.dhhr.wv.gov/bms/pages/manuals.aspx>,
