

Medical bills that were previously submitted, but were not sufficient to meet the spenddown, may be used again in a new POC. However, when any old or new bill is used and the spenddown is met, those same bills must not be used again in a new POC. When only a portion of the old bill, incurred outside the current POC, is used to meet spenddown, any remaining portion of the bill for which the client is still liable may be used to meet spenddown in a new POC.

In addition, when the client submits an old bill and then withdraws his application, the old bill may be used again if he reapplies.
