

Speak up WV! People with Mental Health Issues or Intellectual Disabilities and Developmental Disabilities and Their Families

An Opportunity to be Heard

The WV DHHR Bureau for Behavioral Health and Health Facilities is launching a Technical Assistance Initiative to assess statewide treatment needs for children and adults with mental health issues and intellectual and developmental disabilities. WE NEED YOUR INPUT to guide current and future service system improvements and development.

The Goals Are To :

- Determine unmet needs and priority issues
- Assess existing statewide service continuum
- Develop a Strategic Action Plan
