Keeping Youth Safe on the Internet

In today's world, using the internet is a part of everyday living. As the internet has grown, it has developed into a multi-faceted tool with a vast range of uses and dangers. On the internet, you can keep in touch with friends and family via social media, read the news, follow your hobbies, watch your favorite TV programs, shop, compare prices, pay bills, and much more. In this lesson, we'll talk about some of the ways the internet is used today and what you need to know in order to protect yourself, your children, and your personal information. This event will offer two separate sessions, one for youth and one for adults.

When: Tuesday, September 22, 2015 | 6:00 pm

Where: Charleston Civic Center | Little Theater (Youth) | Room 103 (Adults)
