

Chickenpox Reporting Form

West Virginia Office of Epidemiology and Prevention Services
Division of Infectious Disease Epidemiology
Phone: (304) 558-5358

Fax or e-mail aggregate totals for chickenpox for the county by close of business on
Monday for the previous week.

You do not need to submit reporting form if you have no cases to report.

Fax: (304) 558-8736 or email to Lori.J.Tyson@wv.gov
