

Here is an actual screen shot for WVSIIIS:

Date: October 18, 2007

Welcome to the West Virginia Statewide Immunization Information System (WVSIIIS) Web application.

This web application allows enrolled users to conveniently search for patients in the WVSIIIS Central Registry and to view the patients' vaccination record. In addition, authorized users can add and edit patient records and vaccination records, as well as maintain facility, physician, and lot number data.
