## Annual Self Assessment

How well are we doing? Are we able to demonstrate value?  
 How do we collect data? What do we do with it?  
 What data should we be collecting to determine our levels of performance?  
 Is our strategic plan working? Who is involved?  
 To support implementation use the Baldrige framework of Leadership, Strategic Planning, Customer Focus, Information & Analysis, Human Resource, Process Management and Performance Results to guide all strategies involved in the assessment process.
